## Summer 2010 Ecology Camp for Children

**July 6 - August 13, 1:30 to 3:30pm, for children ages 4 to 8**

This summer, encourage your child to explore the mysteries of the natural world. The beauty and diversity of the many habitats and inhabitants of the conservancy will come alive through trail walks, experiments, scavenger hunts, stories, visiting animal specialists, crafts, “eco-dramas” and other intriguing activities designed to bring out your child’s innate curiosity. If your child loves the outdoors and enjoys getting dirty, this program is the one!

*Note: Special arrangements will be made for Monroe campers who are dismissed at 1:00 pm and wish to transfer directly into our afternoon ecology program.*

- 2 days/week (Tue, Thu), \$350 for members/\$375 for non-members
- 3 days/week (Mon, Wed, Fri), \$475 for members/\$515 for non-members
- 5 days/week, \$785 for members/\$830 for non-members
- Participation in weekly sessions (Mon – Fri) \$145 for members/\$155 for non-members

Programs are limited in size and fill up quickly.  
All programs require pre-registration to confirm your child’s spot.

Scholarships available.
