Summer 2010

Summer Ecology Program

If your child loves the outdoors and enjoys getting dirty, this program is the one! The beauty and diversity of the many habitats and inhabitants of the conservancy will come alive through trail walks, experiments, scavenger hunts, stories, visiting animal specialists, crafts, "eco-dramas" and other intriguing activities designed to bring out your child's innate curiosity. Special arrangements will be made for Monroe campers who are dismissed at 1:00 pm and wish to transfer directly into our afternoon ecology program. Ages 4 and older.

Weekdays, July 6 - August 13

1:30-3:30pm
